

St Cuthbert Mayne School Curriculum Map

Department: Religious Education - Year 13 PRE

At the heart of Religious Education is the primacy of communicating God is Love. (Pope Francis)

The task of handing on the Christian faith, through the doctrines and teachings of the Roman Catholic and Anglican traditions, is both a privilege and responsibility. At the centre of all we do in our Religious Education department is the desire “to bring young people to a personal relationship with Jesus Christ.” (Curriculum Directory).

The RE curriculum at St Cuthbert Mayne seeks to;

explore what people believe and what difference this makes to how people live, so that pupils can gain the knowledge, understanding and skills needed to handle questions raised by religions and world views, reflecting on their own ideas and ways of living. Religious Education, in our joint church school, seeks to promote and nurture the spiritual life of our pupils, and will enable every child to flourish and “live life to the full”. (C of E statement of Entitlement)

Our curriculum is;

- Ambitious for all pupils
- Coherently planned and sequenced
- Adapted to meet the needs of all.

The outcome of our excellent Religious Education should be religiously literate and engaged young people who have the knowledge, understanding and skills – appropriate to their age and capacity –" to reflect spiritually, and think ethically and theologically, and who are aware of the demands of religious commitment in everyday life." (Religious Education Curriculum Directory p6).
